SOUTH ISLAND LIVING

RNP Homes is an established Canterbury owned and operated company leading the way in innovative designs and bespoke home builds. Specialising in medium to high-end homes, we are passionate about creating beautifully designed and built homes that exceed our clients' expectations and ensure that nothing less than perfection is delivered in all the work that we do.

Gold Award winning building company RNP Homes triumphed at the Registered Master Builders House of the Year Awards having achieved gold awards in both the Display Home and \$1-2 million dollar build categories. These exceptional high end architecturally designed homes can be seen at rnphomes.co.nz

Designs and Plans are available from RNP's own collection series where clients can still add their personal input on specifications that suit their individual needs and requirements. RNP can also offer additional in-house design services and or Architect recommendation for all bespoke residential housing.
